<b>SURNAME Name</b>	<b>Position in the project</b>	<b>Job position</b>	<b>Profession</b>	<b>Role in the project</b>
-------------------------	------------------------------------	---------------------	-------------------	----------------------------

*Core Institution: IFIN-HH/ ELI-NP*

DORIA Domenico	Project Director	SR2	Physicist	Laser plasma physics, Optics, Experiments with High Power Lasers
GHENUCHE Petru	Team member (Key person)	SR3	Physicist	Optics, Experiments with High Power Lasers, Laser diagnostics
CERNAIANU Mihail	Team member (Key person)	Engineer	Engineer	Experiments with High Power Laser, DAQ, Plasma diagnostics, Technical responsible
STUTMAN Dan	Team member (Key person)	SR1	Physicist	X-ray Optics, X-ray/Gamma ray generation, Diagnostics
ROTARU Florin	Team member	SR	Physicist	Nuclear Physics, Gamma Ray Diagnostics
SANGWAN Deepak	Team member	Postdoc	Physicist	PIC Simulations and Plasma Theory
TUDOR Lucian	Team member	PhD student	Physicist	Laser plasma experiments, Diagnostics

*Partner Institution: University of Bucharest*

NICOLIN Alexandru	Project Responsible (Key person)	Conf. Univ. Dr.	Physicist	Numerical simulation of mesoscopic quantum systems
MICLUȚA-CĂM- PEANU Sebastian	Team member (Key person)	PhD student	Physicist	Numerical simulations, parallel calculation, scientific programming
DOLINEANU Mircea	Team member	Master stu- dent	Physicist	Numerical simulations, parallel calculation, scientific programming
